

**Online Awareness and QUIZ Programme on
E-LEARNING AND SMART SCHOOL CONCEPTS
FOR SCHOOL STUDENTS**

**January 20, 2022
(3.30 PM - 5.30 PM)**

The National Institute of Rural Development and Panchayati Raj is the apex institution for training and research in rural development in India. It is an autonomous body under the Ministry of Rural Development (MoRD), Govt. of India. The Institute's endeavours are aimed at examining the strategy and programmes of rural development in the national socio-economic growth process. The institute is celebrating 'Azadi Ka Amrit Mahotsav' through a series of webinars, trainings, awareness programme, Quiz etc. A smart school uses ICT for creating a better learning experience for students. E-learning is the structured learning and teaching experience through electronic technology. Smart school uses various e-learning tools such as Internet, desktop, laptops, interactive board, projectors and educational software and Apps which involves both teachers and students into an e-learning environment. Smart electronic means like e-books, Digital Learning Content, Learning activities, Regular Doubt clarification, Practices and assessments, quizzes and live classroom build a better interaction among parent, teachers and students for optimal learning and management.

It is in this context, NIRDPR-NERC, Guwahati is organizing the online awareness and Quiz on e-Learning and smart school concept for school students.
